Due to an abundance of caution related to the COVID-19 pandemic, the Engineering Innovation staff, as well as most JHU employees, are now working remotely. We will be able to receive mail and packages regularly, but not daily. The fastest way to send transcripts and other supporting documents is to email them to ei-transcripts@jhu.edu. For our office to consider the transcript "official," it must be emailed by a school official, not the student or parent/guardian. If you have questions or concerns, please contact us at ei-transcripts@jhu.edu.
