We are monitoring the COVID-19 pandemic, and we will provide more detailed information regarding the residential program later in the spring. Please visit FAQs – Residential – Hood College frequently for updates.

ARRIVAL ON CAMPUS
Students are expected to arrive at Hood College on Sunday, July 3, 2022. Shuttles will be available to pick up students arriving at Baltimore-Washington International (BWI) Thurgood Marshall Airport. Students may also be brought to campus by car.

Please complete the Student Travel Plans Form that is included with the enrollment forms in the application portal. This will allow us to know when to expect your arrival to campus, as well as your departure plans for the end of the program. Should your plans change, please email us at ei@jhu.edu with updated travel information.

RESIDENCE HALL
Explore Engineering Innovation students will live in Meyran Hall. They will be in double, triple, and quad rooms with a shared bathroom on each floor.

MEALS
All meals during the program are included starting with dinner on Sunday, July 3, 2022, and ending with breakfast on Saturday, July 30, 2022.

EVENING AND WEEKEND ACTIVITIES
We are carefully monitoring the pandemic, so evening and weekend activities are subject to change depending on JHU requirements and local conditions. At this time, we are planning evening and weekend programs for Explore Engineering Innovation students. The Saturday field trips may include a trip to Washington, DC, Hershey Park, and the Steven F. Udvar-Hazy Center. Evening and Sunday activities may include shopping trips, movies, karaoke, and more.

Students can bring sports equipment, such as a Frisbee, tennis/squash/racquetball racquet, or baseball glove.
WHAT TO BRING
You MUST bring the following items:

• Your medical insurance card
• Cell phone
• Long pants, long sleeved shirt, and closed-toe
  shoes for lab days
• Towels and washcloths
• Basic Scientific Calculator
• Notebooks, pens, pencils
• Facemasks and hand sanitizer

You are encouraged to bring the following items:

• Shower shoes and necessary toiletries
• Sunscreen and an umbrella
• Laundry bag and laundry detergent.
• Clip-on reading light, for reading in bed
• Alarm clock.
• Your own pillow, if you want (a pillow will be
  provided)
• A blanket, if you want (a lightweight blanket
  will be provided)
• Your camera!
• Cash for souvenirs (~$50/week)
• Bathing suit and beach towel for trips, on-
  campus activities
• Tape, ruler, scissors, flash drive
• Laptop computer, if you have one
• Frisbee or other sports equipment

A typical Maryland forecast is “hot, hazy, and humid, with a chance of afternoon thunderstorms.” Bring light,
casual, warm-weather clothing and some good walking/hiking shoes (more than “flip-flops” or sandals) for field
trips. Also, bring summer rain gear and a light sweater or fleece for well air-conditioned classrooms.

There are common areas with TVs. If students bring their own, they must use headphones since others may be
studying or sleeping. Students may bring their musical instruments.

All bed linens, including blankets and pillows, are provided. Bath towels and washcloths will also be provided.

Students are encouraged to bring their own laptops, but they will also have access to the computers in the
residence hall and in academic buildings.

All meals and scheduled field trips are included in the program. Students should have pocket money for snacks
and souvenirs. We recommend bringing $50 plus per week. If you do not have a bank card, you may want to
consider using a gift card with a credit card logo (VISA, MC, American Express, etc.) to avoid carrying cash.
