

JOHNS HOPKINS

WHITING SCHOOL *of* ENGINEERING

JHU APL Campus

Engineering Innovation Pre-College Programs Handbook

Welcome to the JHU -APL campus!
Building 201; 11091 Johns Hopkins Rd; Fulton, MD 20759

We are delighted you will be joining us this summer!

Please review the pages that follow with your parent(s)/guardian(s) as you all will find helpful information.

Please know that Johns Hopkins Engineering Pre-**College Programs' reserves the right to** make changes to the following policies, rules, and regulations before or during the program, due to the ongoing pandemic and/or other circumstances. We will provide updates via email as necessary so watch your inbox for notices from us.

If you have questions, please contact the Johns Hopkins Engineering Pre-**College Programs'** office at 443-927-1986 or at ei@jhu.edu

Important Dates and Times

Please be prepared to participate in the entirety of the program, Monday – Friday from July 3 -28. There is no class on Tuesday, July 4.

First Day: Students will meet the instructional staff in the first-floor lobby of Building 201 at 9am.

Final Day: EEI Spaghetti Bridge Competition (Families may also attend): start at 10AM and will end by 12:30PM with dismissal to a luncheon. More information will be sent closer to the day of the event.

The Daily Schedule

Class starts: Class will begin each day at 9AM Please contact the Engineering Innovation office if you will be absent or late to class. (ei@jhu.edu or 443-927-1986)

Lunch: There will be about an hour for lunch each day. Students may bring lunch from home or purchase from the Starbucks Café in the first-floor lobby of Building 201 or the cafeteria in Building 200. The Starbucks Café and cafeteria are [cashless operations](#), so bring a credit or debit card if you wish to make purchases from either location.

Starbucks Café: premade sandwiches and salads, pastries, yogurt, beverages, and more.

Building 200 Cafeteria: Pay-by-weight salads, soups, and hot entrees, sandwiches, burgers, beverages, and more.

Students who bring lunch from home may eat in the Building 200 cafeteria with their friends. There is also outside seating beside the Building 200 cafeteria and between Buildings 200 and 201.

Students are not permitted to leave the APL South Campus during lunch.

Class ends: Students will be dismissed from class at 3pm.

Travel to campus - Travel Plans

Johns Hopkins Engineering Innovation Pre-College **students'** families are responsible for making your own travel arrangements.

Free parking is available adjacent to Building 201.

COVID-19 Student Policies and Expectations

Johns Hopkins' [COVID-19-related policies](#) are updated regularly.

As the COVID-19 landscape continues to change, there have been a few updates to the guidelines for students participating in our in-person programs. The guidance below may change prior to or during the summer program, so please continue to check back for updates.

Vaccination requirements:

We strongly encourage students to be fully vaccinated and have at least one COVID-19 booster prior to arrival. Kindly upload your vaccination record into the JHU Vaccine Management System (VMS) portal.

Masking requirements:

Currently masking on campus remains optional. We highly recommend that students bring a supply of KN-95, N-95, or KF-94 masks with them to campus in case this guidance changes at any point during the program.

We want all our students to complete their summer without becoming ill with COVID-19. We respectfully ask that students wear a mask during their travels to campus and when they are in crowded public spaces for the weeks prior to arrival.

Negative test prior to arrival:

At this time, we do not anticipate requiring proof of a negative COVID-19 test prior to arrival.

Students who test positive during the program:

Commuting students who test positive during the program will need to isolate at home until they are cleared by JHU Student Health and Wellness to return to class.

We will work with students who must leave campus to provide academic support and transition them to online coursework until they are cleared to return.

What to bring

Please bring your laptop if you have one. Chromebooks will not be able to connect to the internet service at APL. You should also bring a pencil, pen, notebook, and calculator.

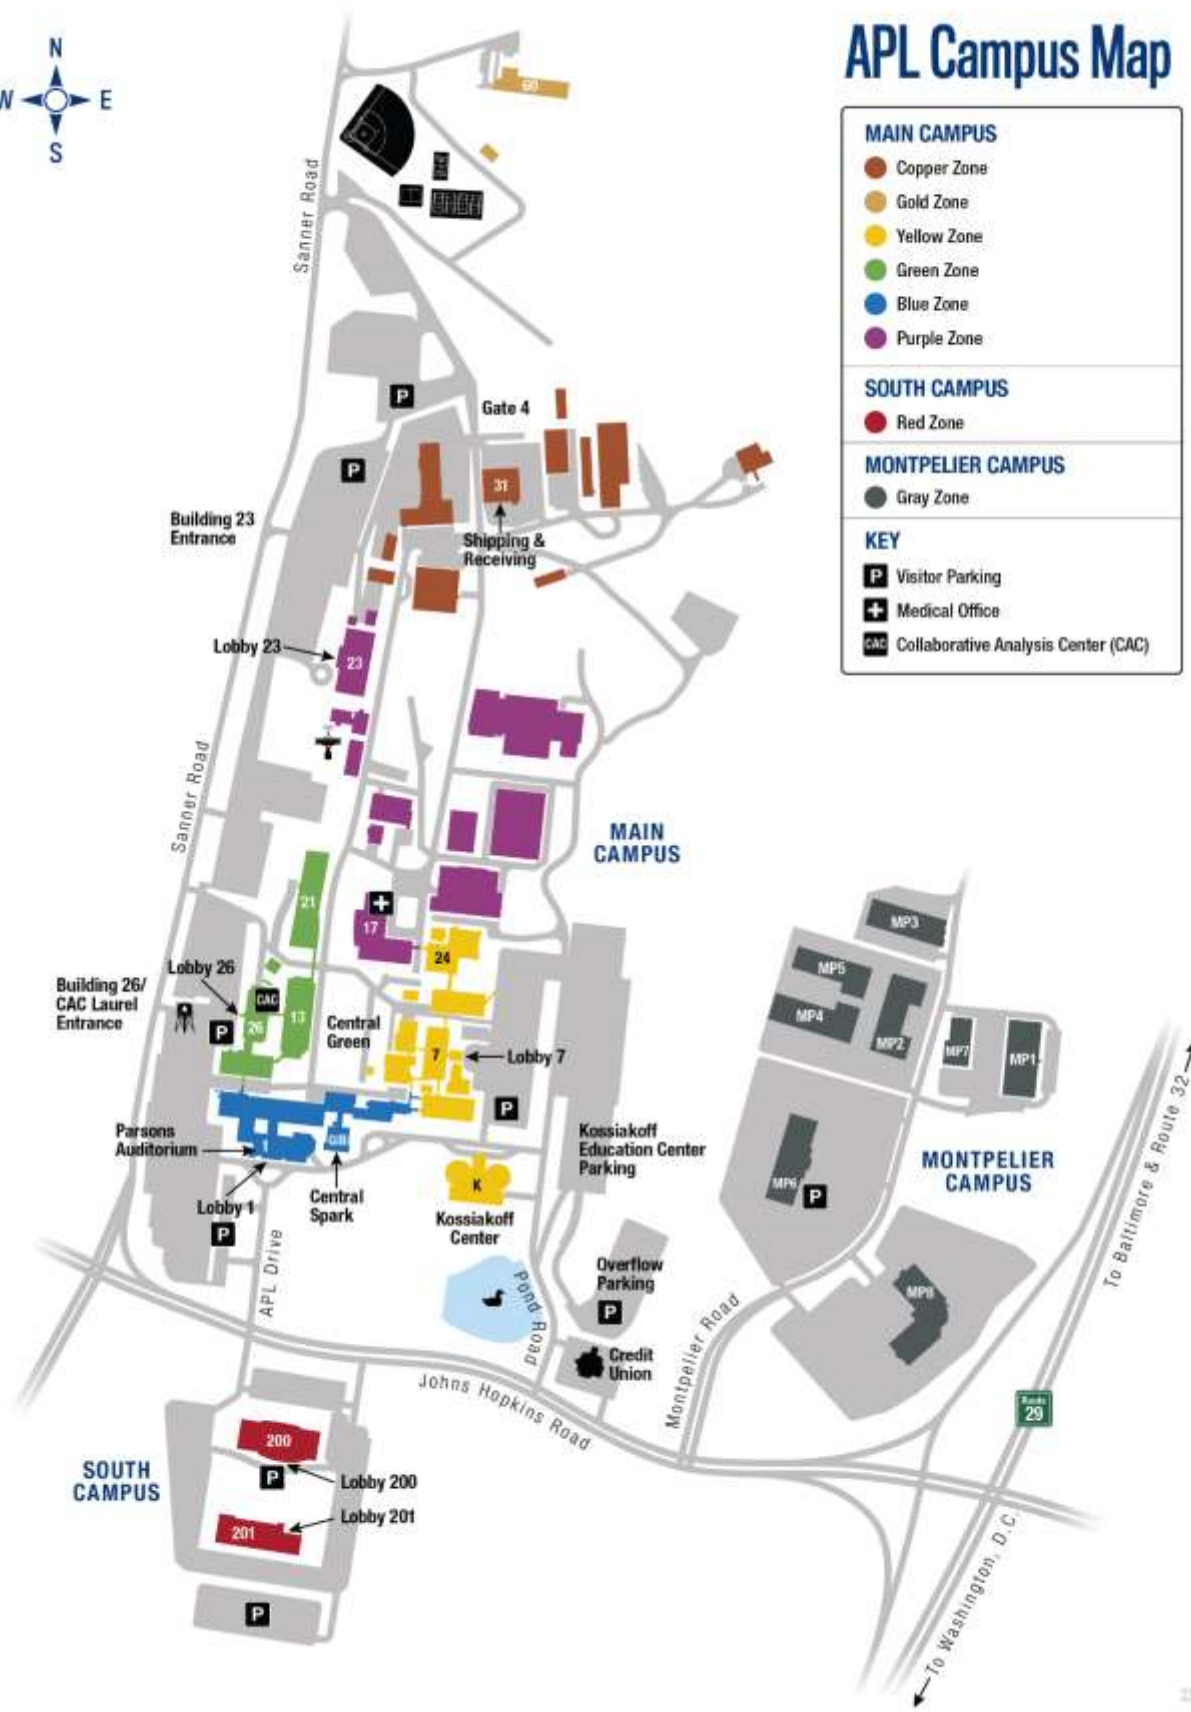

Library Use

All students will have access to digital materials through the Johns Hopkins library: <https://library.jhu.edu>.
