

JOHNS HOPKINS

WHITING SCHOOL *of* ENGINEERING

JHU Homewood Campus Engineering Innovation Pre-College Programs Commuter Handbook 2023

Welcome to Johns Hopkins University Homewood campus!

3400 North Charles Street
Baltimore, MD 21218

We are delighted you will be joining us this summer!

Please review the pages that follow with your parent(s)/guardian(s) as you will find helpful information.

Please know that Johns Hopkins Explore Engineering Pre-College Programs' reserves the right to make changes to the following policies, rules, and regulations before or during the program, due to the ongoing pandemic and/or other circumstances. We will provide updates via email as necessary so watch your inbox for notices from us.

If you have questions, please contact the Johns Hopkins Explore Engineering Pre-College Programs' office at 443-927-1986 or at ei@jhu.edu

Important Dates and Times

Please be prepared to participate in the entirety of the program, Mon – Fri, 9AM-3PM, July 3 – 28. There is no class on Tuesday, July 4.

First Day:

Explore Engineering Innovation students will meet at 8:45AM in Hodson 110

Sustainable Energy Engineering students will meet in Maryland Hall room 104 at 9AM.

Final Day:

Explore Engineering Innovation Students will have a Spaghetti Bridge Competition (Families may also attend): start at 10AM and will end by 12:30 with dismissal to a luncheon. More details will be sent closer to the date.

SEE: Students will finish class by noon and families are welcome to join a luncheon afterward.

The Daily Schedule

Class starts: Class will begin each day at 9AM. Please contact the Engineering Innovation office if you will be absent or late to class. (ei@jhu.edu or 443-927-1986)

Lunch: There will be an hour for lunch each day, 11:45AM-12:45PM. All students will have lunch in Nolan's Café located in the Scott-Bates Commons on the corner of Charles and 33rd Streets.

Class ends: Students will be dismissed from class at 3PM/

Tuesday, Wednesday, Thursday: 1 p.m.–5 p.m.

Closed daily 12 p.m.–1 p.m.

Office of Multicultural Affairs

Address: 3003 N Charles St, Homewood Apartments, Suite 100, Baltimore, MD 21218

Phone: 410-516-8730

Fax: 410-516-8731

Email: oma@jhu.edu

Travel to campus and parking

Johns Hopkins Engineering Innovation Pre-College students' families are responsible for making your own travel and/or parking arrangements.

Parking – JHU Parking Office (<https://ts.jhu.edu/Parking/>). Monthly parking passes are available.

COVID-19 Student Policies and Expectations

Johns Hopkins' [COVID-19-related policies](#) are updated regularly.

Always refer online to Johns Hopkins Explore Engineering Pre-College [Residential Students](#) COVID Policies for the most up to date information.

As the COVID-19 landscape continues to change, there have been a few updates to the guidelines for students participating in our in-person programs. The guidance below may change prior to or during the summer program, so please continue to check back for updates.

Vaccination requirements:

We strongly encourage students to be fully vaccinated and have at least one COVID-19 booster prior to arrival. Kindly upload your vaccination record into the JHU Vaccine Management System (VMS) portal.

Masking requirements:

Currently masking on campus remains optional. We highly recommend that students bring a supply of KN-95, N-95, or KF-94 masks with them to campus in case this guidance changes at any point during the program.

We want all our students to complete their summer without becoming ill with COVID-19. We respectfully ask that students wear a mask during their travels to campus and when they are in crowded public spaces for the weeks prior to arrival.

Negative test prior to arrival:

At this time, we do not anticipate requiring proof of a negative COVID-19 test prior to arrival.

Students who test positive during the program:

Commuting students who test positive during the program will need to isolate at home until they are cleared by JHU Student Health and Wellness to return to class.

We will work with students who must leave campus to provide academic support and transition them to online coursework until they are cleared to return.

What to bring

Please bring your laptop if you have one. You should also bring a pencil, pen, notebook, and calculator.

Sheridan Libraries

You will have access to the JHU [Sheridan Libraries](#) online resources and to the [Milton S. Eisenhower Library](#) and the [Brody Learning Commons](#) study areas on-campus. Besides offering a place to study and books to consult or borrow, students can print, copy, and scan documents in both facilities.

Campus Security and Emergencies

Please program your phone with the JHU Security emergency dispatch number: 410-516-4600. You may also download the [LiveSafe App](#) for free.

The RAVE Emergency Text Message System immediately broadcasts emergency information to subscribers. In cases involving an imminent threat to safety and security including weather-related emergencies on or near the Homewood campus, the university may send text message alerts. Students must and parents/guardians may

subscribe to Johns Hopkins Emergency Alerts for the duration of your time here. To subscribe, text JHUMhomewoodAlerts to 226-787. Subscribers will receive a confirmation text message in return. To unsubscribe when you leave campus, text STOP JHUMhomewoodAlerts to 226-787.

Emergency blue lights are installed around campus to get you an immediate police officer response if you are in an emergency or feel concerned for your personal safety. A map of the blue light locations is available [here](#); a copy is also included at the end of this document.

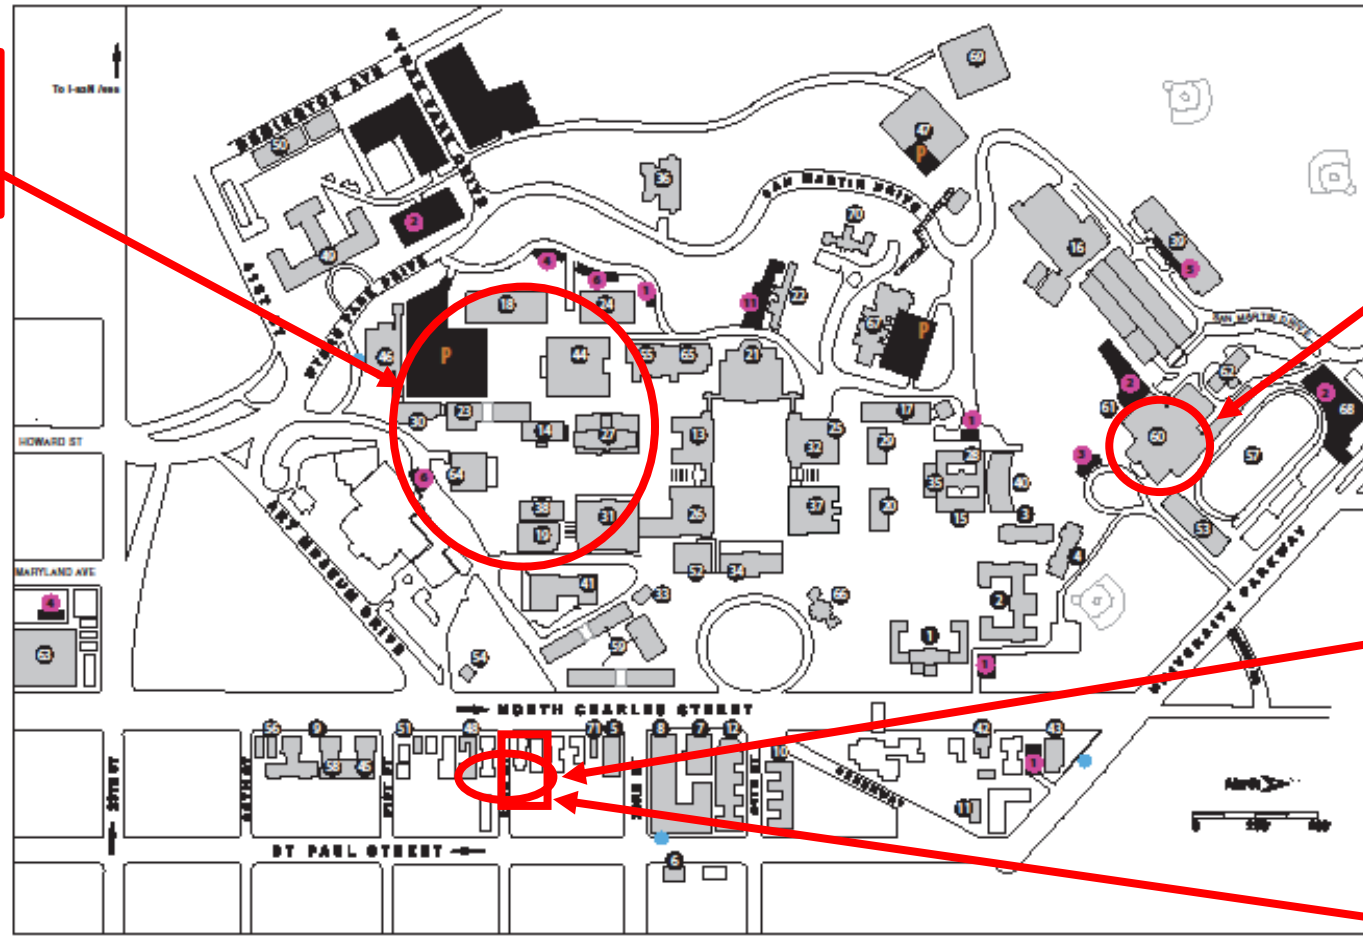

A complete list of Emergency Notification options with information about how to use them is available [here](#).

Campus Safety and Security provides Lost and Found services for JHU. For more information about reporting an item that you have lost, please visit the [Lost and Found page](#).

JHU – Homewood Campus Map

Scott-Bates Commons is approximately a 5 – 10 minute walk to the buildings where classes are held and Fresh Food Café, the campus cafeteria.
