Who is SDS?

SDS supports students with disabilities by working to ensure equal access and equal opportunity. Our SDS professional staff provide guidance and consultation to students and faculty and collaborate with campus partners to identify and remove barriers to help promote an inclusive environment for all students.

SDS has 4 Hubs throughout Johns Hopkins University to service students:
Could SDS Support You?

Student Disabilities we’ve supported

- Physical/Mobility

AND MORE!!
New students can begin the process of working with SDS online: Application form in AIM.

At the time of request, students indicate their disability(ies), its impact, request specific accommodations, and upload supporting documentation (guidelines are on SDS website) that indicates how their disability impacts them.

SDS staff will meet with the student to determine possible accommodations before issuing accommodation letters.
