The Future is Yours
Who is SDS?

SDS supports students with disabilities by working to ensure equal access and equal opportunity. Our SDS professional staff provide guidance and consultation to students and faculty and collaborate with campus partners to identify and remove barriers to help promote an inclusive environment for all students.

SDS has 4 Hubs throughout Johns Hopkins University to service students:
Could SDS Support You?

Student Disabilities we’ve supported

Accommodation Categories

- Academic
- Dining
- Residence Halls
- Transportation

AND MORE!!
How Do Students Request Accommodations from SDS?

► New students can begin the process of working with SDS online: Application form in AIM.

► At the time of request, students indicate their disability(ies), its impact, request specific accommodations, and upload supporting documentation (guidelines are on SDS website) that indicates how their disability impacts them.

► SDS staff will meet with the student to determine possible accommodations before issuing accommodation letters.

THANK YOU !
Engineering Student Affairs Welcome Video

Engineering Student Affairs
Offering Enrichment and Support While Advocating for Student-Centered Policies and Practices

Community Building/Student Engagement
- Offering connection through community building programming and events

Student Support & Advocacy
- Helping students navigate non-academic issues
- Providing wraparound support to address barriers and concerns while supporting academic success
Enrollment Forms

1. SLATE Forms
2. Online Forms sent via email link
Lab Kits

If you have not yet placed your order for a lab kit, please do so today!

- Quality Science Labs
- [https://www.qualitysciencelabs.com/johns-hopkins-engineering-innovation/](https://www.qualitysciencelabs.com/johns-hopkins-engineering-innovation/)
- Students outside of the United States must email orders@qualitysciencelabs.com or call 1-866-700-1884 to place the order.

Once you receive your kit, please open it to verify that all required parts are included.
Class Structure

June 24 – August 2

Biomedical Engineering Innovation

- 5 sections of up to 25 students
- Each section has:
  - Instructor
  - 3 Teaching Assistants-Graders

Students will receive a welcome email mid-June with instructions on how to access course materials.

There is no set class meeting time. The course is asynchronous, but not self-paced

Weekly Schedule

- Watch pre-recorded lectures and take online quizzes
- Complete homework assignments
- Work on lab projects and reports
- Regular, real-time study sessions will be held twice a week on Zoom – optional
- Three required virtual design review meetings with your instructor.
All Engineering Innovation students have online access to JHU Sheridan Libraries for all students

https://www.library.jhu.edu/
