

## Pasadena City College Commuter Handbook

We are delighted that you will join us this summer at Pasadena City College (PCC)!

Please review the pages that follow with your parent(s)/guardian(s), as you all will find helpful information.

**Please know that Johns Hopkins Engineering Pre-College Programs’ reserves the right to make changes to the following policies, rules, and regulations before or during the program.** We will provide updates via email as necessary, so watch your inbox for notices from us.

If you have questions, please contact the **Johns Hopkins Engineering Pre-College Programs office** at **443-927-1986** or at [ei@jhu.edu](mailto:ei@jhu.edu)

### Dates

- The program at PCC runs from June 29 to July 23, 2026 (no class July 3)
  - Reminder: Classes on Fridays will be virtual.
- You will be in class from 9 a.m. to 3 p.m. daily with a 45- to 60-minute break for lunch. Class on Friday is online.
- Final Day of the Program (July 23):
  - Sustainability Energy Engineering (SEE): Poster presentation (Families may also attend): time TBD. Information will be communicated closer to the event.

# Academics

## Classrooms

- Sustainability Energy Engineering (SEE) are located in the [Industrial Technology \(IT\) building](#). Specific room assignments will be emailed one week prior to the start of the program.

## Items to Bring to Class

- You should bring a laptop, pencil, pen, notebook, and a calculator.

## Instructors

- Your instructors receive JHU faculty appointments to teach your course. They typically have a PhD and teach college-level courses. Local high school teachers, university graduate students, and former SEE students also assist with the classes serving as teaching fellows and teaching assistants.

## Class Size

- Your class will have between 18 and 24 students, with whom you will work closely in teams of up to four to complete engineering projects. Each course has a 12:1 or fewer student-teacher ratio.

## Library Access

- You will have access to the JHU [Sheridan Libraries](#) online resources. Non-registered PCC students have the ability to check books out of the PCC library, access reference desk services, and use the space for studying. To be eligible to use the PCC library, the student be attending a high school or live within the [PCC District area](#). Students can check website for [summer hours](#) if they want to visit.

## Course Structure

- Curious about what class is like? Visit our [Past Syllabi page](#) to explore previous course materials organized by program, year, and course type. While the exact content may evolve, these syllabi offer a great preview of the topics, structure, and hands-on projects you can expect.

student enrolls in the program. You'll share any dietary allergies or restrictions when filling out your application forms.

### **Parking and Public Transportation**

- Parking will be in the student parking structures Lot 3 at the corner of Del Mar Boulevard and Hill Avenue.
- Pasadena City College can be reached using the LA Metro Gold Line. The closest station is the Allen Street Station.
- The LA Metro Bus system has stops on Colorado Boulevard and Del Mar Boulevard that are very close to the PCC campus.
- Please visit the LA Metro website for more details.

### **Campus Security and Emergencies**

- Emergencies, call 911.
- For non-emergencies, contact PCC Security at (626)-585-7484
- The RAVE Emergency Text Message System immediately broadcasts emergency information to subscribers. In cases involving an imminent threat to safety and security on or near the PCC campus, the college may send text message alerts. You are welcome to subscribe to RAVE by following the instructions via this link - <https://pasadena.edu/police-and-college-safety/emergency-information/get-emergency-alerts.php>
